Mr. Frank. Dwyer,  
138 East Linden Avenue,  
Atlanta, Ga.

Dear Sir:

I have just received your letter of October 7th regarding the membership dues of Mr. Paul E. Dwyer.

He was elected a member of this Society November 18th, 1907. Several months later he sent a cheque for twenty dollars, which paid his initiation fee (\$10.00) and dues for the year ending January 1909. This is the only payment of dues that he has made, he is indebted to the Society, therefore, for dues for the year ending January 17, 1910 (\$10.00) and for the current year, ending January 13, 1911 (15.00), making \$25.00 in all.

At the beginning of the present year the dues were raised from ten to fifteen dollars, and a new class of associate members was established, with dues of five dollars, as you will see by the printed circular, which I enclose herewith.

Should Mr. Dwyer desire to change his membership to associate membership, he has the privilege of doing so, this, of course, would affect his dues for the current year only, and to have the change take effect before <sup>next year</sup> I would have to have prompt notice of his intention, three quarters of the year have now passed, and a notice of such a change should really be received early in the year.

I enclose a bill for the amount due, and trust that an early settlement will be made.

Very truly yours,

Treasurer.

Mr. Frank D. Dwyer,  
136 E. Linden Street,

Dear Sir:

Replying to your letter of October 10th, I would say that on February 11th, last, you wrote me as follows:-

"As my brother Paul B. Dwyer is out of the city I am answering the enclosed invoice, he wishes to change his membership to the associated kindly do this and change the dues to \$5.00 per year."

In response to this, the Secretary of the Society wrote Mr. Paul B. Dwyer as follows:-

"I have received a letter dated February 11th, from Mr. Frank D. Dwyer requesting that your membership in this Society be changed to Associate membership.

"This has, accordingly, been done and I enclose herewith a bill for the Associate Membership dues."

You will see by this that Mr. Dwyer has not withdrawn his membership, but has simply changed from a Member to an Associate Member, with the corresponding reduction of annual dues from \$15.00 to \$5.00.

I accordingly return the bill for dues, which you sent back.

Very truly yours,

Treasurer.
